

Social Welfare Unit, Jeppu

Report of the Activities for the year 2023-2024

Social Welfare Unit Infant Mary's Convent, Jeppu, closely works with the vulnerable village communities and empowers the socially marginalized, by providing them livelihood facilities, imparting skills leading to employment, and providing health and education facilities. To achieve the sustainable development aimed at peace building and restoring inter-personal relationship and harmony, we worked to uphold the dignity of women and children unorganized workers, to have sustainable environment, to help the children and youth to grow as responsible citizens.

OBJECTIVES :

1. Build a better and empowered citizens in the society.
2. Prevent child labour and help them to attain universal education among the different areas.
3. Build the family as a strong inter-dependent unit.
4. We concentrate on giving good Education for the children, so that in future they are able to manage on their own.

The main activities of Social welfare Unit

Supporting the education of underprivileged children by providing school fees and school requirements, and other necessities. Additionally, camps are organized to create awareness and facilitate communication, between children and their parents. The centre also hosts events like Christmas programs, parent's camps where sponsored children and parents, come together to celebrate and receive gifts.

Village Outreach Program

Conducting regular camps and sessions for parents and children, on topics such as health and wellness. We also organize career guidance for the children to prepare them to select their right career in life.

HEALTH AWARENESS IN VILLAGES

HEALTH CHECK-UP IN VILLAGES

Women Empowerment Program:

Mother's of children are called in groups every two months and are given awareness and training on various topics like need of education for children and child care proper follow up is maintained and giving them values.

AWARNNESS TALK TO THE WOMEN

Counselling

Offering counselling services to the children and women, where and when needed, contributing to positive changes in their lives and Academic achievements.

Education :

It is said Education is transforming one's life. So it is Important that every person is educated through proper way. Hence, we at the centre, strive to provide good education to the children who are in our sponsorship. Children are going to different school depending on their grades. We have made them groups and organized camp during the holidays.

Health Programs :

Regarding health we at the centre as well as in the Villages, have taken keen interest to provide awareness on various health issues. We have organized health camps for children as well as for the parents. During the health camp children are having General Medical check-up to find out if they are succumbed any sickness. They are also treated for minor ailments.

We also have a program to help chronically ill patients such as cancer, HIV/Aids, heart diseases, suffering from kidney related diseases and tuberculosis(TB). We provide them Medicines and pay their Medical bills and give them nutritious food every month (Individual health cases). like rice, nutrimix and grams. Concerning villages, adhering to call given by Government, we also organize different programs like No-to-plastic. Also maintain cleanliness in public places.
